About Disability United Network

Purpose

The purpose of the Disability United Network (DUN) is to provide a platform to bring all interested stakeholders together who are addressing / concerned with disability related issues in order to:

- share best practices,
- encourage policy implementation and change where necessary (in accordance and compliance with Namibia's policy and legal framework, including the UNCRPD),
- collaborate, and coordinate efforts which improve services and programmes for individuals with disabilities and their families,
- ultimately increasing equality and improving quality of life.

Membership / Composition

Membership is open to all interested bodies / organisations / institutions regardless of their registration status. This includes but is not limited to representatives from:

- Government ministries
- NGOs / Civil Society organisations / OPDs
- Service providers
- Early Childhood, primary, secondary and tertiary education institutions
- Other interested parties

Please contact us if you would like to know more or are interested to join!
